Dalia Carella
 New York, New York

Dalia Carella is a renowned world fusion artist, choreographer, master teacher, and the Founder/ Artistic Director of the Dalia Carella Dance Collective. Her rich background creates works utilizing both ethnic and contemporary movement, ingrained with a deep spiritual and mystical essence. She is known for her explorations into cultural dance forms, her precise and seamless blending of traditional and modern dance in the theatrical context, and for her dark and sultry cabaret stylings, evocative of the European underground, circa the 1920s and 30s.

Dalia will present *TBD*.

Tempest
 Seattle, WA

Tempest pulls from her visual arts background, literary tendencies, and global inspirations to create dance that crosses the boundaries of time and culture. The premiere instructor of both Gothic and Steampunk Bellydance in North America, her extensive work in these genres has helped to define and develop these fusion styles across the world. Her compellingly artful performances exemplify her distinctively theatrical, unique, and expressive style, and are rooted in oriental dance technique with a transcendent approach. Learn more about Tempest at www.darklydramatic.com.

Tempest will present *TBD*.

 Performing slots for the dance party are available on a first-come, first-served basis (priority is given to returning performers who were wait-listed the previous year). Twelve openings are reserved for returning performers, and six are reserved for new participants. Open dance slots will be filled from the waiting list after the preregistration cutoff. **To be fair to everyone, performers may only dance once (group or solo).** You **MUST** register for the seminar to qualify for a place in the program.

Routines are limited to **seven minutes** (but remember, less is sometimes more). Music must be on CD-R (not CD-RW).

Early in her career as a middle eastern dancer, **Chelydra** fell in love with the folk dances of North Africa and the Middle East. As the original artistic director of the Caravan East Dance Troupe, and then through Dancing Turtle Folk Arts, she has performed and taught these dances throughout the mid-Atlantic region for more than two decades, and is proud to have been selected twice to perform in the ODU Local Choreographer's Showcase. She considers dance to be serious fun.

Chelydra will be presenting **Skirt Stuff**, a lively variety of techniques for spicing up your dance with a little skirt-play.
